FALL 1957

75th ANNIVERSARY

In the year 1882, Mr. William Flemer and his friend, Mr. Theodore Foulk, started a small nursery at Roselle, New Jersey. The Foulk and Flemer Nurseries continued until 1895 when Mr. Foulk sold his interests to a Mr. Felmly. Subsequently, in 1898, the nursery was moved to Springfield, New Jersey, where it prospered and grew to over 300 acres of fruit stock and a comparatively wide collection of ornamentals as well. About the year 1900, Mr. Flemer bought Mr. Felmly's interest in the business and thus established the trade name of F. & F. Nurseries. By the year 1914, additional property was bought at Princeton, New Jersey, and in 1920, Mr. Flemer sold the company to his two sons. Carl Flemer managed the original F. & F. Nurseries at Springfield while William Flemer, Jr. managed the Princeton branch. This partnership continued with both nurseries expanding their propagating departments and enlarging their existing ornamental collection until their catalog became an annual reference book.

William Flemer, Sr., before his death in 1925, lived to have the great satisfaction of seeing his early efforts brought to fruition. It was eventually decided to operate the two nurseries as separate concerns, that is—the F. & F. Nurseries at Springfield, N. J. and the Princeton Nurseries at Princeton, N. J.

Carl Flemer introduced the propagation of many ornamentals not heretofore grown in this country. He continued to expand and develop the F. & F. Nurseries. In the year 1932 we had been in business for half a century and in commemoration, Carl Flemer published a book called "After 50 Years," a handbook full of horticultural information presented in a clear and understandable form. This book was widely acclaimed and is still used by many as a reference book. During the 30's and early 40's our Landscape Department was developed and expanded as we continued to be a source of well grown, rare and exotic plants.

In this year of 1957, on our 75th anniversary, we have completely moved our entire nursery to Holmdel, New Jersey. The new site is just west of the Garden State Parkway, near Telegraph Hill and adjacent to the Bell Telephone Laboratories. We cordially invite you to visit us at our new home.

CONDITIONS OF SALE

CONTRACTS — Due to conditions beyond our control all orders and contracts accepted, are subject to government regulations and availability of labor and supplies.

ORDERS ARE ACCEPTED SUBJECT to prior sale, and to condition of stock at delivery date.

PRICES in this catalogue cancel all previous lists and quotations, are subject to change without notice and they are F.O.B. our nurseries, packing extra. The quantity rates apply only to orders calling for the same size and variety.

TERMS—CASH. Interest at six per cent (6%) per year will be charged on all accounts from due date. Orders for C.O.D. shipment must be accompanied by one-third of the amount.

SPECIAL SELECTION — Plant material specially selected at the nursery will be sold at prices commensurate with the value of the specimens chosen, irrespective of the listed prices.
